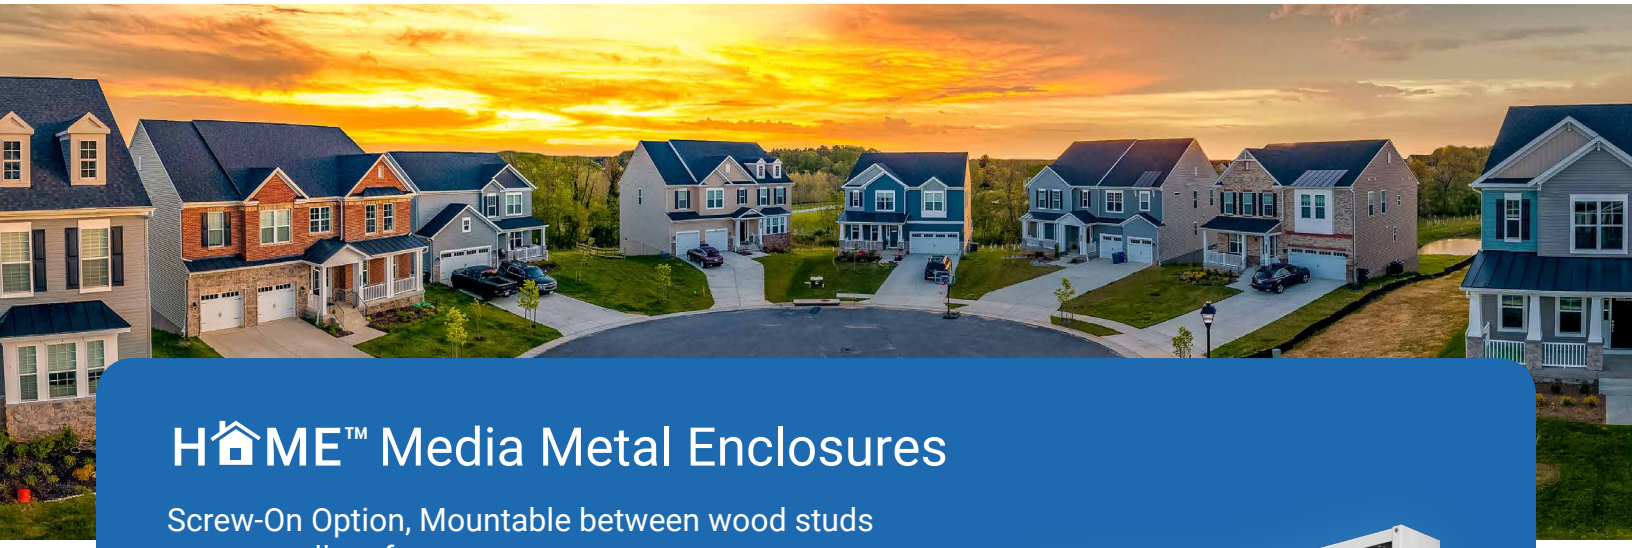
HOME™ MEDIA ENCLOSURES

14”, 18”, 28” AND 42” WITH HINGED DOOR & SCREW-ON OPTIONS



HOME™ Media Metal Enclosures

Screw-On Option, Mountable between wood studs or on a wall surface

Wavenet’s Home Media Metal Enclosure offers a robust solutions to consolidate and distribute wired and wireless home networks from a single, centralized location

Product Video Demonstration

PRODUCT FEATURES

- Made from 18AWG steel construction
- 2” diameter knockouts for cable entry and exit
- Single-Gang electrical knockout for AC power outlet
- Integrated with cable tie down tabs
- Recessed wood stud or wall mountable
- Reversible hinged door with Screw-On lock
- Drywall thickness indicators
- Hole patterns for horizontal module mounting
- UL listed

IDEAL FOR future-proofing multi-media applications for distribution of signals

COMPATIBLE with Voice, Data, Video, Audio, Security and Fiber Optic modules

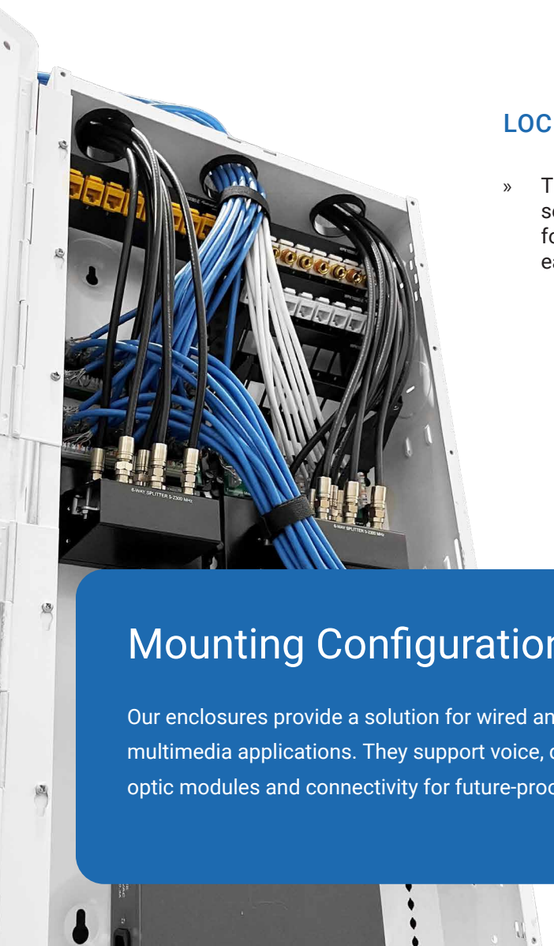
Mounting and Installation Structure

Metal Enclosure Mounting Display

Wavenet Home Media Enclosures are certified **UL Listed**, designed to integrate low-voltage wiring solutions into traditional structured wiring installations while minimizing signal loss

REVERSIBLE HINGED DOOR

» Allows the door to be easily configured to open from either the left or right side, providing flexibility in installation and usability



LOCK AND SECURE

» The key & lock feature provides secure and convenient closure for doors, ensuring safety and ease of use

WOOD STUD HOOKS

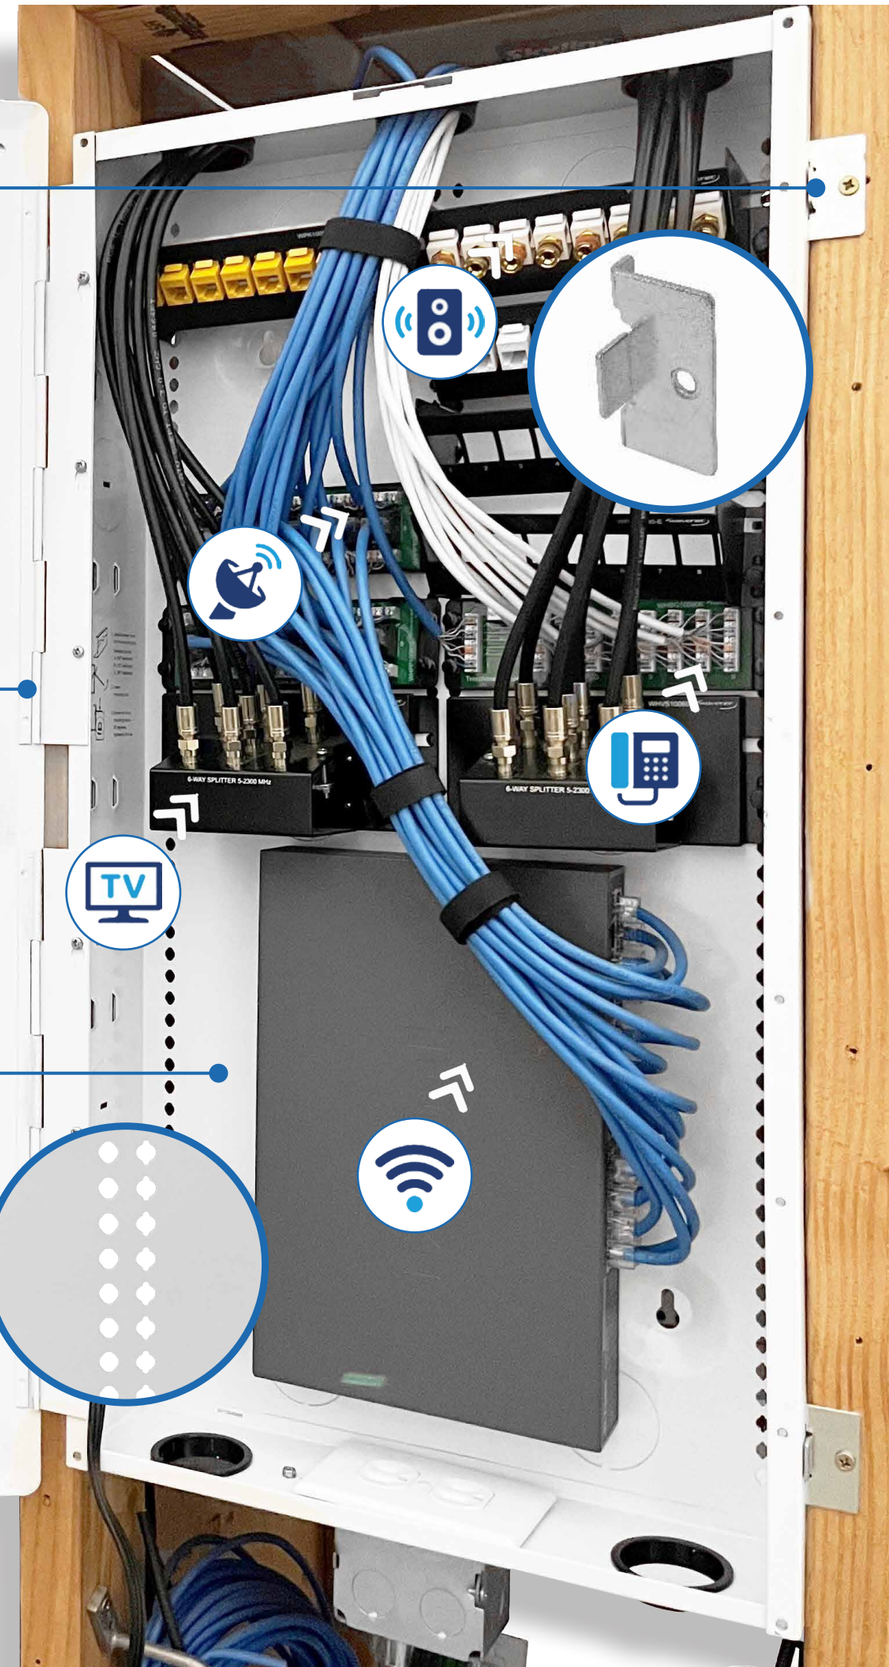
» Compatible with either side for fast, easy installation; no tools are needed to attach the hooks to the enclosure.

FLEXIBLE HINGES

» Fit left- and right-opening orientations and accommodate wall irregularities and clearance requirements

ENHANCED CAPACITY

» Flexible hole patterns for optimal module mounting with enhanced depth and width for better work space



Mounting Configurations

Our enclosures provide a solution for wired and wireless networks with integrated multimedia applications. They support voice, data, video, audio, security, and fiber optic modules and connectivity for future-proof homes or MDUs.

Optional Accessories and Modules

Enclosure Modules and Mounting Accessories

WHPP100805

8-PORT CAT6 110-TYPE IDC DATA MODULE

- Supports up to 8 data connections
- Fits Wavenet's structured wiring enclosures

WHBG100806

8-PORT 110-TYPE IDC VOICE MODULE

- Supports up to 8 voice connections with RJ31X
- Fits Wavenet's structured wiring enclosures

WHVS1006

2GHZ 6-PORT PASSIVE VIDEO SPLITTER

- 2GHz, 1 Input x 6 Outputs
- Fits Wavenet's structured wiring enclosures

WHVS10081

2GHZ 8-PORT PASSIVE VIDEO SPLITTER

- 2GHz, 1 Input x 8 Outputs
- Fits Wavenet's structured wiring enclosures

WPK10080

8-PORT BLANK PANEL

- Multiple media application
- Configurable with keystone modular connectors
- Fits Wavenet's structured wiring enclosure

VDVM-8D8P6V

VOICE, DATA, VIDEO MODULE KIT

- (1) 8-Port CAT6 Data, (1) 8-Port Phone with RJ31X & (1) 6-Ports 2GHz splitter
- UL Listed and compliant with ANSI/TIA-568 standards for residential use
