Re: California Proposition 65 Compliance - All Wavenet Cable, Connectivity, Rack, Cabinet, Enclosure & Cable Management Part Numbers

All Wavenet Cable, Connectivity, Rack, Cabinet, Enclosure & Cable Management Part Numbers may contain ingredients such as DIDP, DINP or antimony trioxide; however, because these products are infrequently handled, they have been determined to be exempt from labeling.

The information provided in this Product Notification, and the identification of materials listed as reportable or restricted within the Product Notification, is correct to the best of Wavenet's knowledge, information and belief at the date of its notification. The information provided in the Product Notification is intended only as a general guide for the safe handling, storage, and any other operation of the product itself or the one that it becomes a part of.

This Product Notification is not to be considered a warranty or quality specification. Regulatory information is for guidance purposes only. Product users are responsible for determining the applicability of legislation and regulations based on their individual usage of the product.
